

WINDOWS AND WINDSHIELDS

Our Windshields are manufactured under FAA Parts Manufacturer approval. Fabrication and inspection are in conformity with approved technical data and FAA requirements.

- Rigid inspection
- Protective coating
- Individually packaged in special shipping containers
- Extensive line covering nearly ALL light aircraft!

- If you want a Window or Windshield in a tint, please specify Green or Solar Gray.
- Those Windows or Windshields regularly stocked in Green tint are so indicated by part numbers.
- Solar Gray Windshields are available on special order.
- If you have any questions, please feel free to contact us for price or availability of any window or windshield.

MEGUIAR'S Plastic Cleaner and Polish

Plastic Cleaner MGH-17

is an exclusive "non-scratching" formulation which effectively cleans without the usual harsh abrasives. (Acrylic sheet is easily scratched by most cleaners.) This cleaner quickly removes minor scratches with very little effort, and is completely safe to use even when valuable information is printed on surface.

Plastic Polish MGH-10 restores and maintains optic clarity on clear plastic. This rich, luxurious cream is the ultimate final treatment for all plastic surfaces, as it leaves a natural, scratch resistant, lustrous finish. Its anti-static ingredients actually repel dust from aircraft windshields. This polish passes military spec MIL-C-5547 and MIL-C-18767B (ASG).

Plastic Cleaner (8 ounces).....	MGH-17-8OZ
